### Securing Houses Of Worship Around The World

Security and worship can be successfully blended for those who worship in your facility. No house of worship (HOW), whether a church, mosque, temple, or synagogue is exempt from crime, whether committed by an internal member, a stranger, or as a random act of terrorism. We must consider threats and be ready to respond in a quick, efficient, and effective manner.

### Threats Against Religious Facilities and Adherents Highlight Importance of Religious Community Outreach

Houses of worship and other faith-based facilities will likely continue to be potential targets for terrorists and homegrown violent extremists (HVEs).a Enhanced communication, coordination, and training among federal entities, state, local, tribal, and territorial first responder agencies, religious community groups, and private sector partners can improve security protocols, increase awareness of suspicious activity indicators, and ultimately improve the ability to detect, deter, and disrupt potential plots.
