## IS-860.C: The National Infrastructure Protection Plan, An Introduction

Ensuring the security and resilience of the critical infrastructure of the United States is essential to the Nation's security, public health and safety, economic vitality, and way of life. The purpose of this course is to present an overview of the National Infrastructure Protection Plan (NIPP). The NIPP provides the unifying structure for the integration of existing and future critical infrastructure security and resilience efforts into a single national program.
