## **CISA – De-Escalation Series**

The De-Escalation Series for Critical Infrastructure Owners and Operators contains four products to assist Critical Infrastructure Owners and Operators to recognize the warning signs of someone on a path to violence; assess if the situation or person of concern is escalating, or if an emergency response is needed immediately; de-escalate the situation currently taking place through purposeful actions, verbal communication, and body language; and report the situation through organizational reporting to enable assessment and management of an evolving threat, and 9-1-1 for immediate threats.

## **DHS – FEMA Resources For Protecting Houses Of Worship**

Across the United States, Americans congregate in faith-based venues to worship, learn, play, and bond as a community. However, public gatherings are vulnerable, and adversaries may perceive houses of worship as attractive targets where they can inflict mass casualties, cause substantial psychological impacts, and draw extensive media coverage.
