### **Extremist Continue Obsession with Targeting Critical Infrastructure**

Recent arrests of neo-Nazis in the United States who planned to target the power grid in Maryland demonstrate the persistent risk posed to critical infrastructure and “soft” targets

### **An Overview of the Use of Cryptocurrencies in Terrorist Financing**

Following the fall of the elected Afghan government and rise of the Taliban in its place, many speculated that the group had or may turn to cryptocurrencies as a way to finance its operations. As part of our compliance program, Coinbase tracks these types of transactions and often works with law enforcement agencies around the world on interdiction and enforcement efforts.
