### **Responders, Railroads Must Collaborate to Prevent Disasters**

The train derailment in East Palestine, Ohio, demonstrates that in spite of some efforts to mitigate derailments of hazardous materials, it hasn't been enough to halt preventable accidents.

### **College Campus Shooting Prevention, Response, and Mitigation Resources**

If you are a college security professional, the February 13 mass shooting at Michigan State University (MSU) that killed three students and seriously injured five others has probably prompted many of you to review your campus security, public safety, and emergency management programs, policies, and systems.
