Not Just Nashville: Attacks Against Churches Nearly Triple So Far in 2023

The mass murder of six people at a church-run Christian school constitutes 2023's deadliest act of violence against churches, which have increased nearly three times this year compared to last year, a new report from Family Research Council finds. The number of anti-church attacks in 2022 had already tripled over four years, a previous report found.

School Safety & Security: What are Hard Corners?

When it comes to making classrooms a safer space, the options are almost as varied as opinions. We also have our opinions as to what works and what doesn't. Let's take a bit of time and discuss hard corners and why we believe this is something you should be aware of.
