Avoid Scams When Using Fitness Apps

Be cautious when using fitness trackers and mobile apps. This con uses many of the same tricks as romance scams, but it targets people in app-based fitness groups. Click below to see how this scam works.

Types of Mail Fraud

Every year, mail fraud schemes are directed at consumers of all ages. While anyone under the right circumstances can fall for a phony offer or promotion, some groups, like retirees, are more impacted than others when they unknowingly participate in scams.
