Mental Health & Resiliency Resources

The Virginia Office of EMS thanks you for being on the front lines in helping to serve our communities. Your service as an EMS provider matters, and you truly are making a difference in helping to save lives. Below are some helpful resources about EMS provider mental health and resiliency. This page regularly as more resources become available.

First Responders Outreach

When crises occur, our Firefighters, Police, and EMTs put their own lives at risk to save others. They answer the call, rush toward danger, and lead the way. Through the Gary Sinise Foundation's First Responders Outreach, we provide help to critical funding for emergency relief, training, and essential equipment to ensure these heroes perform to the best of their abilities.
