## If You've Been Scammed, You May Be Targeted by A Refund or Recovery Scam

They're the worst of the worst: scams that target people who have already lost money to a scam. If you've been scammed, you may be targeted by a refund or recovery scam. In these scams, someone says they can help get your money back or recover the prize or item you never got, but you need to pay them first. If you do, you'll lose more money.

## Scam Likely Caller? Here's How to Block and Report Unwanted Calls

Got a phone? Then chances are you get calls from scammers. Scammers don't care if you're on the National Do Not Call Registry. That's why your best defense against unwanted calls is call blocking and call labeling. Here's how to block and report unwanted calls on cell phones and home phones.
